

## SHAWBRIDGE NEWSLETTER

**December 2016**

As 2016 comes to end so too does our project at Shawbridge Street. The regeneration of this area will continue with new homes being built on the site where the high rise blocks previously stood.

Dem-Master have demolished a total of 3 high rise blocks and the shops adjoining the former 215 Shawbridge Street. Along the way it has been our pleasure to make contact with several groups within the community. These include (amongst others) Pollokshaws Church, Pollokshaws Community hub and various businesses and residents.

As we put the finishing touches to the site and prepare to hand over to the next phase of development in this area, we would like to say thank you to all for the patience shown and the welcome offered to Dem-Master, their employees and representatives.

We wish you all a Happy Christmas and best wishes for the New Year and the future of the Shawbridge Community and surrounding areas.
